Correction to: *Nature Communications* <https://doi.org/10.1038/s41467-021-21012-x>, published online 3 February 2021.

The original version of this Article contained an error in the legend of Fig. 3, which incorrectly read ‘hemorrhagic diathesis (b), and emphysematous typhlocolitis (c)’. The correct version states ‘hemorrhagic diathesis (a), and emphysematous typhlocolitis (b)’. This has been corrected in both the PDF and HTML versions of the Article.
